

# The “Sidepost Classic” Cantilever Style Umbrella

With thousands of installations and over a decade of proven design, this magnificent umbrella has become almost an Australian Icon. Its elegant style and simplicity of operation will enhance any outdoor setting. Select your preferred combination of shape, size and colour and let us custom-make and deliver your perfect umbrella.

The **Sidepost Classic** is ideally suited for domestic use around swimming pools and in courtyards, but has also proven popular in childcare facilities, resorts and restaurants. The structural grade aluminium frame gives the strength of steel without the worry of rust, and the hardwearing colour fast Acrylic Canvas canopy blocks 99% of ultra-violet radiation (99% UVR Block) as well as providing excellent protection from rain.

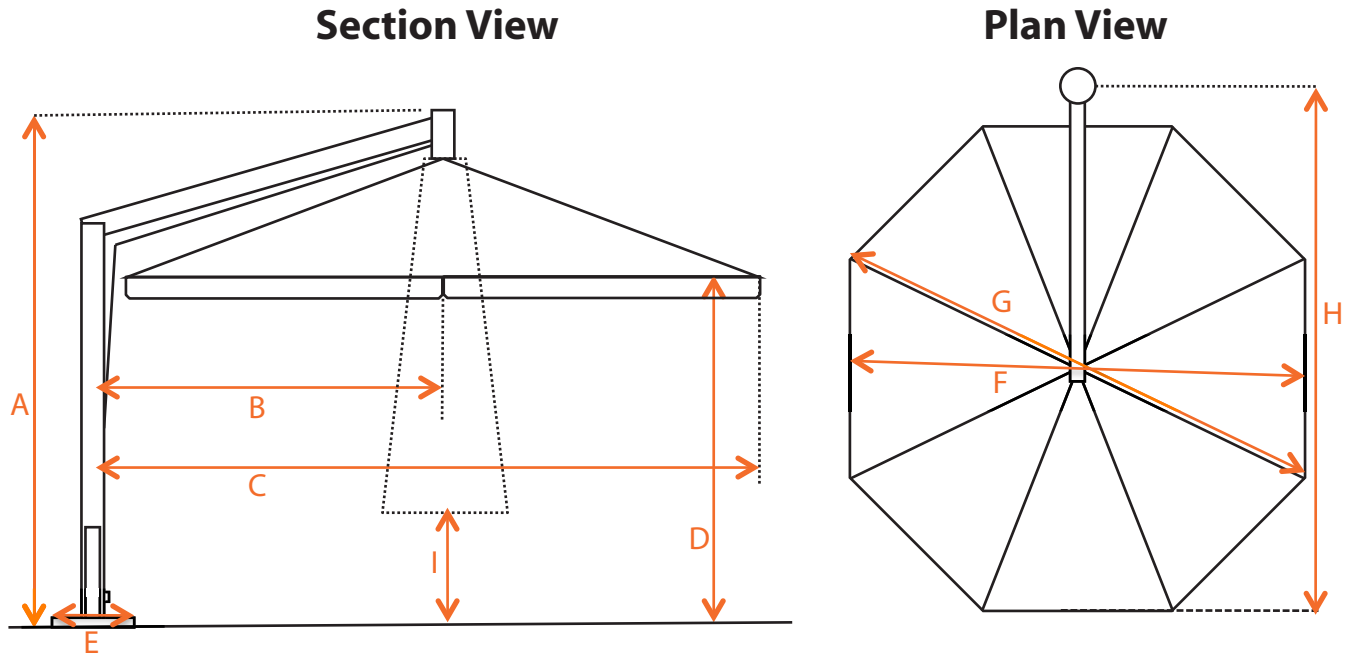

All in all, the **Sidepost Classic** is designed to look great in any environment and provide years of reliable service. Don't settle for second best, **call us today** or visit us online and together, let's create the perfect shade for your outdoor area.
