PROOF LITE PARASOL FABRIC SPECIFICATIONS

Composition:	100% solution dyed UV stabilized Polyester.
Mass (gsm):	250g / square metre
Width (cm):	183
Light fastness:	6-7, with 3 year guarantee against becoming unserviceable due to fading, limited to replacement of fabric only.
Breaking strength warp (N):	>1500
Breaking strength weft (N):	>800
Water repellence:	100/100
Oil repellence:	5/5
Soil repellence:	5/5

The yarns that we use in this fabric, are made from solution dyed UV stabilized polymer sourced in Europe. This means that the pigmented colour is added to the molten polymer. The result of this is that the colour lies evenly through the cross section of the fibre, and not just in the outer layer as with conventional dyeing.

The advantages of this are firstly, that the colour no longer has to have a chemical affinity with the polymer, so we can use pigments which have a much greater resistance to fading than dyestuffs and secondly, that as the colour fades in the outer layer, what is exposed has exactly the same colour, and so little or no change of colour is noticeable for long periods of time, hence our guarantee.

The fabric is treated with a Fluorocarbon treatment which imparts a water, oil and soil repellent finish, for quick drying and easy cleaning. A biocide is added during the Fluorocarbon application, which helps to prevent the growth of mildew. Careful and regular cleaning will ensure that the applied treatments continue to perform their function.

Both yarns and chemicals are manufactured in accordance with the latest accepted manufacturing regulations, with sustainability and low environmental impact at their core. The products we use are all REACH compliant.

The fabrics can be both washed at 40° C or dry cleaned, followed by air drying, **not** tumble drying, and a warm ironing treatment is recommended as it enhances the water repellent properties.

We guarantee that fabrics in the **PROOF LITE PARASOL RANGE** will not become unserviceable due to fading or loss of strength for **three years** from date of installation, provided that you retain the sales invoice from the manufacturer of the item purchased.

This guarantee does not cover Acts of God, wilful destruction, normal wear and tear or staining by atmospheric pollution.

This guarantee covers the replacement of the fabric only and does not cover labour or installation.
